Subject: Hot Weather Arrangements – Tomorrow

Dear Parents and Carers,

Due to the forecast of very hot weather tomorrow, with temperatures expected to exceed **33°C**, we would like to share the arrangements we have put in place to ensure all children remain safe and comfortable throughout the day. Please be assured that the school will remain open as normal.

To help manage the heat, children are welcome to attend **in non-uniform, wearing cool and comfortable clothing**. We will ensure that all pupils have regular access to water, with additional opportunities for drinking throughout the day. We have also planned some fun, low-energy activities indoors and in shaded areas to keep children engaged while avoiding overheating.

If you would prefer to collect your child early, you may do so after lunch at 1:20pm. Usual arrangement for pick up in place: from the playground. We will not allow children to walk home un-supervised, children will have to be collected by an adult.

If you are unable to collect your child at this time, please be reassured that normal supervision will continue, and we will provide appropriate care for all children remaining in school.

We kindly ask that all children arrive at school with a named water bottle and a hat. Please also apply sunscreen before school, as this will help protect your child while they are outdoors.

Thank you for your continued support.

Kind regards,

Mrs Hopper

Head Teacher
