

Name: _____ Class: _____

My School Street Writing Challenge – win one of 3 amazing scooters, donated by Suffolk County Council.

Our School Street Scheme helps everyone get to school safely and happily. We want to hear what you love about it!

You can write about what you see on our School Street when it's closed to cars and how the School Street helps you and your friends get to school.

If you could tell someone why our School Street is important, what would you say?

Add lots of detail and draw pictures. If you run out of space, continue on another piece of paper!

Hand in your completed worksheet to your teacher on Monday 2nd June to enter the competition to win a super scooter! Good luck!
