Dear Parents and Carers,

I wanted to write to you personally to share the news that this will be my final term working at Ranelagh Primary School.

I have worked here for twenty-six years and have known some of you throughout my entire career, having taught you and now teaching your children! You have trusted me with being the first person to help your child settle into nursery and reception and that has always been a real honour.

As you can imagine, I have worked with many different colleagues over those years and, through this, have formed lifelong friendships.

The children and families at Ranelagh have also shared many of life's most important moments with me. You have seen me in my wedding dress, celebrated with me as I became a mum to two wonderful children, and supported me through the years. In fact, being a teacher at Ranelagh is all my own children have ever known.

Ranelagh has been something incredibly special to me for all these years—almost as though it runs through my veins. However, the time now feels right for me to step aside and begin a new chapter.

I will never forget the years I have spent as part of this wonderful school community. It has been a privilege to teach and support so many children and families, and I will treasure the memories, friendships, and experiences that Ranelagh has given me.

While I am excited for what lies ahead, I will truly miss you all.

With my heartfelt thanks and very best wishes,

Miss Turner
